

We are excited to welcome Lisa Dietz to our Design Team!

Lisa recently joined our team as a Cabinet & Floor Plan Designer for Thomaes Lumber in Billings and Laurel, and Rock Creek Lumber in Red Lodge. She is currently working on her certification to become a Certified Kitchen & Bathroom Designer with the National Kitchen & Bathroom Association. She is one of the most creative, genuine and advantageous Designers you will ever meet. She loves to help clients who want to create and update their living spaces to reflect their individual style.

Lisa was born in Montana and graduated from Skyview High School in 2004. She was awarded a basketball scholarship from Rocky Mountain College and graduated in 2009 with a degree in History and Art. She is a fifth generation homebuilder and remodeler, taking after her father who ran his own carpentry business in Billings. She has worked on a variety of construction sites, giving her firsthand knowledge in the field. In her free time, you can find her with her husband Phil and their four dogs.
